

## 10 & Under Series #1 Meet Recap:

12 Silver Tide swimmers went to the 10 & Under Series #1 on Sunday, October 18th, 2009. The meet is hosted by the Olympian Swim Club at Fountain Park Pool in St Albert, and is the first in a series of five meets throughout the 2009-10 season. The meet itself is designed to be an appropriate introduction to racing for 10-year-old and younger swimmers.

Montana Boyd, Meghan Doig and Lauren Tong were our youngest competitors, swimming in the 8-year-olds category. Kailyn Foss, Alexa Janzen, Nicole Murray and Kier Vander Leek swam in the 9-year-olds category, and Leighton Janzen, Tianna Jimioff, Billy Kuhn, Katelyn Whiteside and Megan Wirachowsky swam in the 10-year-olds category.

These swimmers completed all of their swims, and will now use the times from this competition to see if they can improve when we go to the next meet in the series in December. There is already lots of interest building from more families to join us at the next meet, so if you have any questions about the 10 & Under Series please talk to your group coach or ask Coach Chris for more information.

Way to go, swimmers!
