

Provincial Team Selections

On the weekend of April 16-18, 4 STSC swimmers were selected to be part of Provincially selected events: The 13-14 Alberta vs BC dual meet, and the Swim Alberta Spring Stroke Camp.

Matt Whiteside was Silver Tide's first swimmer selected to the prestigious 13-14 dual meet since Nadine Williams and Karlyn Elford qualified for the meet three years ago. He was selected as Alberta's fastest 13-year-old breaststroker, and was rewarded with a 3-day trip to Kamloops, BC, where he participated in a training camp followed by a quick dual meet versus the top swimmers in BC.

Kevin Labonte, Brendan Elford, and Nadine Williams were also selected by Swim Alberta for the Spring Stroke Camp. Kevin was selected based on his 200 Back at Age Group Nationals last summer, Brendan off of his 200 Fly at Short Course provincials, and Nadine off of her many distance freestyle swims at National meets last season.

Congratulations, swimmers!
